

H Y L A S 70

TWIN WHEEL DESIGN

Designed by German Frers / Manufactured by Queen Long Marine

The Hylas 70 offers a hull design with exceptional living area above and below deck. And is customized for unmatched storage, ventilation and functional space.

An aerial photograph of a sailboat with a white hull and a dark blue stripe, sailing on a dark, choppy sea. The boat's deck is white with blue cushions and a wooden table. Several people are on board, including a man in a red shirt at the helm and a woman in a green shirt. An American flag flies from the mast. The boat is moving towards the right, leaving a white wake.

Uncompromising quality, performance & seaworthiness

For extended passages, offshore racing or coastal cruising, the German Frers
custom design Hylas 70 is ready to cast off whenever you are...
